Billets

If you still need to let the school know who you would like to list as your child's Billet, please contact Mrs. Schwartz so she can update the information in our system.

All students should have a billet listed - even if they are a town student.

GPAC

Hello parents!

The Parent Council last met on November 7th and there are exciting things on the horizon!

As you are aware, the students were selling Mom's Pantry Products to raise funds for some sports equipment, school yard projects, and Pioneer camp. The fundraising committee has a variety of great ideas for fundraising over the school year.

Religious Exercises have begun and have been a success. If you would like your child to attend a daily bible devotion, please remind your children to head to the gym before school starts.

The PAC also has plans for another hot lunch before the Christmas break.

Our next meeting is Tuesday December 5, you can request meeting notes to be emailed to you at any time.
